

PRESS RELEASE

ACROBATICA STRONG 19% GROWTH DRIVES CUSTOMERS AND CONTRACTS TO 31,379 IN 2025

Anna Marras, CEO of Acrobatica GROUP: “A solid and uninterrupted growth trajectory”

Genoa, 27 January 2026: EdiliziAcrobatica S.p.A. (“*The Company*” or “**ACROBATICA**”), a company specialising in double safety rope construction work, listed on Euronext Growth Milan (ticker EDAC) and Euronext Growth Paris (ticker ALEAC), announces that it has closed the 2025 financial year with a further strengthening of its commercial performance.

The number of contracts signed reached 31,379, up +1.4% compared to 30,958 in the previous year, while the number of customers increased by +19%, confirming the strength of the business model and the growing confidence placed in the Group by households, businesses and institutions.

In the medium term, results highlight a significant growth trend: in the three-year period 2022–2025 the number of contracts signed almost doubled, rising from 17,925 to 31,379, and the number of active customers almost quadrupled as they continue to entrust ACROBATICA. At the same time, the Group’s international expansion has progressed steadily, strengthening its positioning as an international reference player in the sector.

Anna Marras, CEO of Acrobatica Group: “*The increase in two key indicators such as the number of customers and contracts signed represents an excellent result for us, achieved at the end of a year that was not without its challenges. During the year, we continued to invest in new projects and to consolidate our international operations, with the objective of reinforcing our market presence while keeping our core business firmly at the centre of our strategy. We are confident that these measures will begin to deliver results as early as 2026, gaining momentum over the next five-year period*”.
