**“ACROBATICA: update to the corporate events calendar for FY 2026”**

**Genoa, May 22, 2026** – The Board of Directors of EdiliziAcrobatica S.p.A. (the “Company” or “ACROBATICA”), parent company of the Group and listed on Euronext Growth Milan (ticker: EDAC) and Euronext Growth Paris (ticker: ALEAC), announces that, during today’s meeting, it acknowledged that it will not be possible to approve, on May 29, 2026 (as provided for in the 2026 corporate events calendar), the separate financial statements as at December 31, 2025 and the Group’s consolidated financial statements.

The rescheduling is primarily related to the completion of certain data consolidation activities, particularly with reference to the Emirati subsidiary Enigma Capital Investments LLC, as well as to the Company’s intention to provide a comprehensive representation of the evolution of certain ongoing operational dynamics.

In this context, the Company, with the support of its advisors, is carrying out analyses and assessments of certain financial optimization options, together with the implementation of managerial and strategic initiatives already underway, aimed at cost efficiency and the progressive improvement of margins.

The Company believes it is appropriate that the outcome of these initiatives be adequately reflected in the separate financial statements as at December 31, 2025 and in the Group’s consolidated financial statements.

The Company will provide timely updates on the progress of the ongoing activities.

Based on current assessments and in light of the above, the Board of Directors’ meeting for the approval of the separate financial statements as at December 31, 2025 and the consolidated financial statements will be convened at a date after June 30, 2026. Consequently, the related Shareholders’ Meeting will also be held at a later date; the relevant dates will be communicated as soon as they are defined.
